

# books & more

E. O. Painter Printing Company has been a manufacturer of Printing for over one hundred and twenty-five years. Throughout the last century, thousands of satisfied customers have taken delivery of millions of quality books and printed pieces that we have manufactured. With combined capabilities of book and commercial printing and a knowledgeable staff, we can help you create a total package for all of your needs.

## design & imaging

Good designs begin with a client consultation discussing ideas and themes for the project. The incorporation of an efficient page size and cost-related production elements are addressed prior to the creation of sample pages. Once the design is approved, the process of scanning images and creating pages begins. Multiple sets of proofs are provided until you are satisfied that your project is ready for printing. Dedicated to a digital platform, E. O. Painter Printing Company can easily output pages that you have designed. We support all of the professional page layout applications including Acrobat PDF files.

## printing

We offer a full range of sheet sizes to handle all of your printing needs. From short run digital printing to four-color process, no job is too big or small. Our large sheet format efficiently produces all standard size books and magazines in one color of ink. Multi-colored covers are our speciality with film lamination, UV coating, or press varnish available for finishes. We offer a full line of commercial four color process printing for maps, posters, brochures, newsletters, flyers, calendars, artist prints, and more.

## bindery

Complementing our large sheet format for books, signatures are folded in 32, 16, 8, and 4 page increments. After collation, book blocks can be casebound, Smyth sewn, perfect bound, or saddle stitched. Wire binding, three-hole drilling and flat stitching are also available for special projects. To help deliver the final product to your customer, we offer a full range of mailing services. From individually shrink wrapped books and custom packaging to U.S. Postal Service CASS certified mailings we will accommodate your needs.

## staff

Built on a solid foundation of four generations of quality printing, the staff at E. O. Painter Printing Company dedicates itself to each and every job. Every stage of the process is handled with meticulous attention to detail creating quality products.
